About ABRSM and these Exam Regulations

Who we are

We are the Associated Board of the Royal Schools of Music (ABRSM), a company registered in England and Wales (company registration number 1926395) and a registered charity (charity registration number 292182). Our registered office is at 4 London Wall Place, London, EC2Y 5AU.

Our mission

ABRSM's mission is to inspire musical achievement. We do this in partnership with four Royal Schools of Music: the Royal Academy of Music, Royal College of Music, Royal Northern College of Music and Royal Conservatoire of Scotland.

We are passionate about music, its value as an art form and the importance of music education. We believe that being involved with music gives people unique, positive experiences with life-long benefits.

Through our world-leading assessments, books and resources we provide people worldwide with the tools they need to teach, learn, make and enjoy music. Our scholarships, donations, sponsorship and partnerships create opportunities for people of all ages to discover music and fulfil their potential. Everything we do is designed to support learners and teachers on their musical journey.

How we are regulated

ABRSM graded music exams and ARSM are regulated in England by the Office of Qualifications and Examinations Regulation (Ofqual) and the corresponding regulatory authorities in Wales (Qualifications Wales) and Northern Ireland (CCEA Regulation). They are part of the Regulated Qualifications Framework (RQF) in England and Northern Ireland.

About these Exam Regulations

What these Exam Regulations cover

These regulations contain the terms and conditions upon which we provide and conduct music exam services.

Which exams these Exam Regulations apply to

These regulations apply to all ABRSM exams except Music Medals and the DipABRSM, LRSM and FRSM diplomas, for which separate regulations are available at www.abrsm.org. These regulations were last updated in September 2018 and apply to exams from 1 January 2019 until further notice.

Changes to these Exam Regulations

We reserve the right to change or add to these regulations from time to time for legal, safety or other substantive reasons to assist the proper delivery of exam services. These regulations replace all previous guidance about the conduct of our exams. The latest version will be available at www.abrsm.org/regulations or by contacting us.

How to contact us

If you think there is a mistake in these regulations, or if anything is unclear, please contact us:

- using the 'Contact us' form on our website
- emailing abrsm@abrsm.ac.uk
- writing to Global Operations, ABRSM, 4 London Wall Place, London, EC2Y 5AU.

Important - legally binding contract

When the applicant makes an exam entry, the applicant and ABRSM enter into a legally binding contract upon the terms and conditions set out in these regulations.

* *Prep Test, Practical Musicianship, Ensemble, Jazz Ensemble and Choral Singing exams are not regulated qualifications.*

3 Prerequisites

- a Candidates may be entered for an exam at any age. The candidate's date of birth must be stated on the entry form for ARSM exams, but is optional in all other cases.
- b Candidates for practical Grades 1-5 do not need to have taken any other grade in that subject.
- c Candidates for practical Grades 6-8 and ARSM must already have passed one of the qualifications listed at www.abrsm.org/prerequisite before the closing date for the exam.
- d We will not allow a candidate to sit an exam without the necessary prerequisites. A copy of the certificate must be supplied at the time of entry, *except for*:
 - ABRSM qualifications gained after 1 January 1994 and taken in the UK or Ireland (supporting documents will only be needed if we are unable to verify the qualification from our records).
 - ARSM entries (although we may ask for a copy of the certificate later; if a copy of the certificate is not provided, we will cancel the exam entry without any refund of the fees paid or payable).

4 Introduction and overlap of syllabuses

- a We update our syllabuses from time to time. Advance notice of any changes is given at www.abrsm.org/exams
- b In the first year of a new practical exam syllabus, we offer an overlap period in which candidates may follow specific requirements from the preceding syllabus. Information on the length of the overlap period and the requirements that it applies to are given at www.abrsm.org/overlap

5 Applicant's role and responsibilities

- a The applicant's responsibilities are:
 - to read and comply with these regulations, making sure that those connected with the exam (including the candidate) are aware of relevant matters;
 - to make sure, where a candidate is under the age of 18, that one of the candidate's parents (or someone else with parental responsibility) has consented to their child being entered for an exam;
 - to submit the exam entry, making sure that the information in the entry is accurate, including name spellings, exam subjects and levels, and any specific needs;
 - to make payment for the exam;
 - to tell the candidate the exam date, time and venue;
 - to receive the exam result/certificate and to pass them on to the candidate.
- b Each applicant is given a personal Applicant Number when they first make an entry. This number should be quoted in all communications with us. In countries where online entry is available, applicants may request a confidential password which can be used with the Applicant Number and a registered email address to access online exam services. The password should not be shown to anyone else and may be changed by the applicant at any time.
- c All contact from ABRSM about the acceptance of an entry, payment, the appointment and result will be with the applicant.
- d Responsibility for an entry cannot be passed to another party without the applicant's written consent.
- e While the applicant is our main point of contact in all matters, we may share information about an exam with another party, including the candidate and his or her parents (or those with parental responsibility), in response to a valid question.
- f We cannot become involved in any dispute or communication breakdown between an applicant and the candidate or his or her parents (or those with parental responsibility).
- g We do not check the identity of applicants and therefore we cannot verify the degrees or qualifications of applicants which may appear on ABRSM certificates.

6 Exam entry

- a Entries must be made by the applicant during the published entry period (www.abrsm.org/datesandfees) using the online entry form. Where online entry is not available, entries must be made by post using the paper entry form. We cannot accept entries by letter, email, fax or telephone. For more information on how to make an entry, visit www.abrsm.org/exambooking
- b We may refuse, invalidate or cancel any entry received after the closing date has passed. In these cases, we will refund the entry fee(s) (see *Reg. 3d* for ARSM exception). We set out certain circumstances under which we may accept late entries in our Late Entry Policy, available at www.abrsm.org/policies
- c Although we would discourage candidates from taking two practical exams in any one subject (whether at the same or different levels) in an exam period, this is not forbidden. Please note that this may mean that the candidate is assessed twice by the same examiner.
- d Candidates can be entered for only one Music Theory exam in any given exam period.

7 Payment

- a Exam fees must be paid in full at the time of entry. For more information on payment methods, see www.abrsm.org/exambooking
- b Where an entry is made on behalf of more than one candidate, a single payment must be made by the applicant; we cannot process a separate payment for each candidate.
- c If there is a query about a payment, or an unpaid amount, we will contact the applicant as soon as possible after the entry has been made. If the query has not been resolved by the date of the exam, we may withhold the exam results/certificates for all candidates entered by the applicant.
- d In cases where payment is made with a dishonoured cheque and we have to pursue payment, we will charge a fee to cover administrative costs and bank charges (see www.abrsm.org/fees).

8 Withdrawals, non-attendance and fee refunds

- a Once an entry and payment have been submitted, the exam fees are generally non-refundable if the candidate does not sit the exam, except in the limited circumstances set out in our Policy for Withdrawals, Non-Attendance and Fee Refunds, available at www.abrsm.org/policies
- b If a candidate is unable to attend or has to withdraw from an exam, the applicant must tell us as soon as possible (and no later than the day of the exam) in writing. The applicant will not qualify for a refund (where applicable) if notice is only given to an examiner, representative, steward or invigilator.
- c A candidate who is withdrawn from an exam may be re-entered in the next exam period. In such cases, a new entry and full payment must be made, as entry details and payments cannot be transferred from one exam period to the next.
- d As well as refunds under our Policy for Withdrawals, Non-Attendance and Fee Refunds, applicants may (except if the exam is scheduled to take place within 14 days from the date of submitting the entry form) cancel their entry at any time within 14 days from the date of submitting the entry by writing to us using the contact details listed on page 4 of these regulations. In this case, the applicant will receive a full refund of any fees paid to ABRSM for the exam. If the applicant is a consumer (which typically includes candidates who are 18 or over and apply for themselves, or the parents of candidates who are under 18), ABRSM is under a legal duty to offer the right to change your mind, but it is additionally offered at our discretion to applicants who are not consumers (typically music teachers and schools), with the exception of exams which are organised as a visit or special visit.

9 Access (for candidates with specific needs)

- a We aim to make our exams accessible to all candidates by providing access arrangements and reasonable adjustments. While changes may be made to the administration of the exam, we will not make any changes to the assessment standards; each candidate's performance is marked in line with the usual criteria. We publish guidelines for candidates with specific needs at www.abrsm.org/specificneeds. Where a candidate has specific needs that are not covered by our guidelines, we consider each case individually. Further information is available from the Access Co-ordinator (accesscoordinator@abrsm.ac.uk) or from www.abrsm.org/specificneeds

Entering for the exam

- b The applicant should fill in the relevant code on the entry form (details of the relevant codes are given at www.abrsm.org/specificneeds). Where further arrangements are required, or the codes are not applicable, the applicant should attach a covering letter to the entry form giving full details. For entries made online, any additional information should be emailed separately to the Access Co-ordinator. We advise applicants to contact the Access Co-ordinator with any questions before making an entry.

Supporting evidence

- c Candidates who require reasonable adjustments (such as alternative tests, extra time for sight-reading or, for Music Theory exams, extra time or use of an amanuensis) must give supporting evidence at the time of making the exam entry. Details of the supporting evidence needed can be found at www.abrsm.org/specificneeds. If supporting evidence is not provided by the time of the exam, we may withhold results or impose a penalty.

Personal data

- d ABRSM recognises that candidates who require access arrangements or reasonable adjustments may be giving personal and sensitive information as part of the entry process. We are committed to handling this information tactfully and securely. You can find our Privacy Policy at www.abrsm.org/policies. Applicants are responsible for getting appropriate consent to share information about a candidate's specific needs with us.

Alternative to graded exams

- e Candidates of any age whose needs mean that they are not able to access graded exams may find that the Performance Assessment is a suitable alternative. Performance Assessment candidates perform a programme of own choice pieces lasting up to 15 minutes. For more information, see www.abrsm.org/performanceassessment

10 Practical exam dates

- a Exam dates are dependent on the entry option chosen by the applicant:
- Exam Centre or Visit (including visits for Harpsichord, Organ, Percussion, Choral Singing and Jazz Ensembles) – where the applicant has selected an exam date *within* an exam period;
 - Special Visit – where the applicant has selected an exam date for a visit *outside* of an exam period.

For full details, please visit www.abrsm.org/datesandfees

Appointments

- b Appointments may be given for any date(s) within the whole of the exam period, depending on the availability of our examiners. The applicant must therefore make sure that candidates are ready for an exam from the first day of the exam period. We take into account, wherever possible, any date preferences indicated by the applicant at the time of entry. However, we decide allocations on the basis of scheduling examiners' time most efficiently while providing convenient appointments to as many candidates as possible, and therefore we cannot guarantee to fulfil any preferences indicated by the applicant.
- c We cannot accept entries that are conditional on being given (or avoiding) particular exam dates. For further information, see our Practical Exam Appointment Guidance, available at www.abrsm.org/appointmentguidance
- d We send notification of the exam date, time and venue to the applicant as soon as possible after appointments have been allocated and examiners have been booked, and no later than two weeks before the exam date. For entries made online, you will receive a notification by email only confirming that your appointment details are ready to view online. If notification has not been received by the first day of the exam period, the applicant should contact us.
- e The notification confirms the names, levels and subjects of the candidates entered, and any access arrangements. The applicant must check these details and notify us immediately of any error or correction.

Changes of appointments

- f We recognise that occasionally an exam appointment may coincide with another important commitment. In this case, we will try to offer another appointment. For further information, see our Practical Exam Appointment Guidance, available at www.abrsm.org/appointmentguidance

11 Music Theory exam dates

- a Music Theory exams are held at set times and on set dates. For full details, please visit www.abrsm.org/datesandfees. All exams must be held on the published dates unless authorised in advance by ABRSM. Requests for alternative dates will only be accepted under exceptional circumstances and our decision is final.

Appointments

- b Candidates for Music Theory exams should only be entered for an exam period where the set day and time are suitable for them.
- c We send notification to the applicant, which confirms the names and grades of candidates entered, and any access arrangements. The applicant must check these details and notify us immediately of any error or correction.
- d We send a name label for each candidate with the notification, and the candidate must bring this name label to the exam. If the label is lost, candidates should write their name on the exam paper in the space provided.

12 Exam centres

- a We provide exam centres for practical exams and/or Music Theory exams.
- b We cannot confirm the precise venue until the exam timetables have been arranged. We will confirm the venue at the same time as the exam date and time.
- c We reserve the right not to open an exam centre if there are not enough entries. In this case, we will offer an appointment at an alternative venue.
- d Exam centres for practical exams have:
 - a waiting room (or area);
 - an exam room which is, where possible, out of hearing of the waiting room;
 - a suitable piano, which may be upright or grand;
 - a music stand, though candidates are welcome to bring their own if they prefer;
 - a steward;
 - an additional room (or area), where possible, for candidates to briefly warm up out of hearing of the exam room, though we cannot guarantee to provide this.
- e Exam centres for Music Theory exams have:
 - an exam room;
 - writing-tables that allow reasonable spacing of candidates;
 - invigilators, who are present for the whole exam.
- f Except in relation to liabilities which cannot be excluded by law, ABRSM cannot accept liability for any damage, injury, expense or loss (including consequential loss) incurred at an exam centre.

13 Visits (including special visits)

- a Practical exams and/or Music Theory exams may be held at a venue provided by the applicant in accordance with the regulations and requirements stipulated below; this is known as a 'visit'.
- b Applicants hosting a visit are responsible for all matters relating to the successful running of exams at their venue, including responsibility for the health, safety and welfare of candidates and other visitors. Applicants hosting a visit must make sure that they:
 - have adequate insurance cover; except in relation to liabilities which cannot be excluded by law, ABRSM cannot accept liability for any damage, injury, expense or loss (including consequential loss) incurred during the course of a visit;
 - take appropriate safeguarding steps and make arrangements to ensure that the health and well-being of candidates is not put at risk, including that no candidate under the age of 18 is left alone with an adult who has not been subject to appropriate recruitment and vetting procedures that are in line with current guidelines and in accordance with our Safeguarding Policy, Procedures and Code of Practice, available at www.abrsm.org/policies

Visits for practical exams

- c The entry options are presented at www.abrsm.org/visits and cater either for:
 - applicants with sufficiently large numbers of candidates (visits and special visits);
 - candidates whose subjects cannot be taken at an exam centre (Harpsichord, Organ, Percussion, Choral Singing and Jazz Ensemble).
- d Exams should not normally begin before 09:00 or end later than 17:30. A 15 minute break should be scheduled each morning and afternoon, and a lunch break of 1 hour 15 minutes should be allowed. The maximum total examining time for a day should not normally exceed 6 hours 10 minutes.
- e Two or more applicants may combine their entries in order to meet the minimum time requirement, but the exams must be held at a single venue. An applicant wishing to participate in another applicant's visit must seek permission from that applicant before submitting an entry. The applicant hosting the visit is responsible for the provision of suitable facilities and arrangements (see *Reg. 12d*) and for compliance with instructions and timetables from ABRSM.

- f Schools and teachers at whose addresses practical exams are held must provide:
- a suitable exam room which is quiet, properly lit, ventilated and heated, and is, where possible, out of hearing of the waiting room;
 - a writing-table and chair for the examiner;
 - a suitable piano (see *Reg. 13g*), unless the visit is solely for an ARSM exam where no accompaniment is needed;
 - a music stand, though candidates are welcome to bring their own if they prefer;
 - someone to act as steward outside the exam room for the duration of the exams in accordance with our instructions.
- g The piano must be properly regulated and in tune (a⁴=440). A digital piano may be used, provided it has a clearly recognisable piano tone, a touch-sensitive keyboard with full-size weighted keys, and an action, compass and facilities that match those of a conventional acoustic piano, including a sustaining pedal.
- h Where a visit is solely for a Choral Singing exam, an examiner attendance fee is charged. For more information, see www.abrsm.org/datesandfees

Visits for Music Theory exams

- i Music Theory exams may be held at a school or music centre approved by us. Completion of the entry form requires the head teacher or other suitable senior member of staff to accept responsibility for the safe custody of the exam papers and proper conduct of the exam.
- j Schools or music centres hosting a visit are responsible for providing suitable facilities and arrangements at their own cost, including:
- an exam room which is quiet, properly lit, heated and ventilated;
 - writing-tables that allow reasonable spacing of candidates;
 - suitable people appointed by the head teacher to act as invigilators in the exam room for the whole exam, in accordance with our instructions.
 - plain ruled manuscript paper for candidates to do any rough working.

14 Practical exams

Exam timings

- a Timings of practical exams are given at www.abrsm.org/examtimings. These timings show the approximate length of each exam, including the candidate's entry and exit, any tuning time and time for the examiner to finish the mark form between exams. Examiners may take more or less time than the given timings.
- b The steward will have a candidate list showing the timetable and each candidate's appointment time. Wherever possible, candidates are timetabled in the order that they were listed at the time of entry.
- c If a candidate is withdrawn from an entry (or given another appointment), the appointment times for other candidates in the entry must stay the same (i.e. later candidates may not be brought forward).

Arriving at the venue

- d Candidates must be ready 10 minutes before the start time of their appointment. Although every effort will be made to accommodate candidates who arrive late, they may find that their exam cannot be conducted.
- e It is recommended that candidates under the age of 15 are accompanied to the venue by a responsible adult. Space in the waiting room may be limited, therefore candidates should not bring more than one escort.

In the exam

- f Candidates (including their accompanists, page-turners, interpreters or chaperones) are not allowed to bring any unauthorised material or equipment (such as recording devices) into the exam room, and mobile phones must be switched off. Anyone breaking this rule may be disqualified.
- g We may record exams for monitoring, quality assurance, training, moderation or marketing purposes or for use in public seminars; these recordings are the property of ABRSM. Candidates will not be identified or identifiable in any recordings used in public seminars or marketing.
- h No one, except the steward and the representative, is allowed to listen outside (or stay near the door of) the exam room.

The people present

- i These people may be present in the exam room:
- **Examiners:** Only one examiner is usually present in the exam room, however a second examiner may be present for training or quality assurance purposes.
 - **Accompanists:** Applicants must make sure that candidates bring their own accompanist. The candidate's teacher may accompany; the examiner will not accompany under any circumstances (except in the Prep Test). The accompanist may stay in the exam room only while accompanying.
 - **Page-turners:** Candidates for practical Grades 1-5 are expected to make any page turns in their music themselves. Organ candidates at any grade, and candidates and accompanists for practical Grades 6-8 and ARSM, are allowed to bring a page-turner (who may also act as registrant for Organ exams) to help with awkward page turns; prior permission is not needed. The page-turner may be the candidate's teacher; examiners are unable to help with page-turning.
 - **Interpreters:** All exams are conducted in English. A candidate who is not comfortable using English is allowed to bring an interpreter into the exam room. The interpreter may not be the candidate's music teacher or a relative. In all cases, approval must be requested in advance from ABRSM.
 - **Chaperones:** With the exceptions detailed above, the candidate is not allowed to bring any other person into the exam room. However, in exceptional circumstances, ABRSM may give permission for an extra person to be present with the candidate. To request this, the applicant should nominate a chaperone at the time of entry and give details of the reasons for the request. The chaperone may not be the candidate's teacher or a relative of the candidate.

Exam music and performance requirements

- j Practical exams are conducted in line with the relevant syllabus. Applicants must make sure that they read the syllabus and bring relevant parts to the attention of candidates.
- k Applicants, teachers and candidates are advised to pay close attention to the requirements shown in the syllabus lists. A 'piece' is all the music set under one number-heading in a syllabus list (unless a choice is specifically given), and may include more than one movement from a work or more than one item from a book.
- l The initial tempo indication (or section title) of a piece/movement may be listed in the syllabus. Where a movement or piece is made up of more than one tempo indication (or section title), the whole movement or piece must still be played in the exam (unless otherwise indicated).
- m Examiners may stop the performance of a piece when they have heard enough to make a judgment or, for ARSM, if the upper time limit of the programme is exceeded (see www.abrsm.org/performance-arasm)
- n Candidates who do not fulfil the syllabus requirements or regulations (e.g. performing a piece not listed in the syllabus, performing only part of a piece or, for ARSM, performing a programme which is too short or too long) may be penalised or, in some cases, disqualified.
- o Candidates may choose to take the individual sections of a practical exam in any order (although, ideally, accompanied pieces should be performed one after the other). If a candidate is going to begin with any section other than the accompanied pieces (where applicable), the steward should be told before the start of the exam, so that the accompanist can enter the exam room at the right time.
- p Applicants must make sure that candidates in solo Jazz subjects (except Jazz Piano) bring their own CD player and CD if choosing to use ABRSM's published backing tracks instead of a live accompaniment.
- q Examiners may ask to look at the candidate's or accompanist's copy of the music before or after the performance of a piece or, for ARSM, after the programme. A separate copy of the music is not required.

Photocopying music

- r It is the applicant's responsibility to make sure that candidates follow the law of the country where the exam is being held for the making and use of photocopies (or other kinds of copies).
- s In the UK, the Copyright, Design and Patents Act 1988 does not allow the making or use of photocopies (or other kinds of copies) of copyright works. However, the Music Publishers' Association's Code of Fair Practice (available at www.mpaonline.org.uk) allows copies to be made in certain limited circumstances (such as difficulty with a particular page-turn) if the copyright holder is listed on the MPA website or in Appendix B of the Code.

- t In all other cases, application should be made to the copyright holder before any copy is made, and evidence of permission received should be brought to the exam.
- u We may withhold the exam result of any candidate if we have evidence of the use of an illegal copy (or copies) for that exam.

15 Music Theory exams

Exam timings

- a Timings for Music Theory exams are:
 - **Grades 1-3:** 1½ hours
 - **Grades 4-5:** 2 hours
 - **Grades 6-8:** 3 hours
- b Where English is not a candidate's first language, the candidate can request to bring a bilingual paper dictionary and receive 15 minutes extra time. Requests must be made at the time of entry.

Arriving at the venue

- c Candidates should arrive 10 minutes before the start of the exam, unless told otherwise.
- d Any candidate arriving more than 35 minutes after the start of the exam will not be admitted.
- e It is recommended that candidates under the age of 15 are accompanied to the venue by a responsible adult, though we cannot guarantee to provide a waiting area for escorts.

In the exam

- f Candidates must bring their name label and their own pens or pencils.
- g Plain ruled manuscript paper is supplied for candidates to do any rough working.
- h Candidates are not allowed to bring mobile phones, other electronic devices or any unauthorised material or equipment (such as their own manuscript or other paper, any representation of the piano keyboard or recording devices) into the exam room.
- i Candidates must not talk, or in any way communicate, with each another during the exam.
- j Any candidate breaking these rules may be disqualified.

The people present

- k Invigilators are present for the whole exam.

Conduct of the exam

- l The invigilators open the sealed packet of exam papers in the exam room in front of the candidates.
- m The time allowed is printed at the top of each exam paper.
- n Candidates must:
 - stick their name label at the top of their exam paper;
 - fill in their exam paper without help or reference to notes, musical calculators or books of any kind. Any candidate infringing this rule or helping another candidate may be investigated for malpractice and subject to a penalty (further information about our Malpractice and Maladministration Policy can be found at www.abrsm.org/policies);
 - write their answers clearly and legibly, or marks may be lost.
- o Candidates may leave the exam room at any time after 40 minutes from the start of the exam. If a candidate wishes to hand in their exam paper, they should stay seated and raise their hand until an invigilator approaches them to collect it.
- p Candidates who are allowed to temporarily leave the exam room must be escorted as appropriate. They should stay seated and raise their hand until an invigilator approaches them.
- q After handing in their exam paper, candidates must leave the exam room and may not return. Once candidates have left the exam room, they are no longer under the invigilators' supervision.
- r As each exam paper is handed in, the invigilators will check that the candidate's full name appears clearly at the top.
- s Candidates must not take any exam papers or rough notes from the room.

After the exam

- t The invigilators seal the exam papers in secure envelopes and send them to us in line with given instructions.
- u We do not accept responsibility for exam papers lost in the post. In these cases, the entry fee is refunded.

16 Results and certificates**Marking criteria**

- a Our marking criteria are given at www.abrsm.org/markingcriteria and in the relevant syllabus.

Issuing results

- b Examiners report directly to ABRSM and are not allowed to pass information about exam results to any other person.
- c Results are posted to the applicant named on the entry form, unless the applicant tells us otherwise in writing. The applicant is responsible for passing results on to candidates. Applicants can also access results at www.abrsm.org using their applicant number and password.
- d Results for practical exams are usually issued in line with the schedules on our website at www.abrsm.org/results
- e Except where we have been negligent or at fault, we do not accept responsibility for the loss or non-receipt of any results after they have been posted. If an applicant has not received results within the expected time, they should tell us. If we confirm that results have been posted, the applicant should contact their local postal sorting office, in case they are being held for collection. We allow 28 days after posting for undelivered or wrongly delivered results to be returned to us. During this time, the applicant may ask for written confirmation of marks. If results are still missing after this period, the applicant should tell us and we will issue replacement mark forms/certificates.
- f We may confirm results to another concerned party (e.g. a parent or headteacher) in the following circumstances:
 - serious illness or death of the applicant;
 - failure by the applicant to pass on results within eight weeks of being sent by ABRSM.

In these cases, we will try to verify the circumstances, after which written confirmation of results and/or duplicate certificates may be issued directly to the relevant concerned party.

- g The result of a past exam may be confirmed in writing to a concerned party (e.g. an applicant, candidate, parent). For details of the fee and to download a Past Results Search Form, visit www.abrsm.org
- h Results are only issued in line with the procedures described above; we will not give exam results by telephone or email.

Mark forms

- i Marks are not awarded for the Prep Test or Performance Assessment. A certificate with helpful comments is written by the examiner and presented to the candidate at the end of the assessment.
- j A mark form is issued to each practical grade and ARSM candidate. All mark forms are read and clerically checked before being issued. The mark form shows the marks awarded for each section of the exam and the total number of marks, as well as comments from the examiner. If a candidate achieves marks which add up to less than half the overall pass mark, the mark form will only show the examiner's comments (i.e. with no marks).
- k A mark form is issued to each Music Theory candidate. The mark form gives a breakdown of the marks awarded for each question and the total number of marks. Music Theory exam papers are not returned after marking.

Certificates

- l Successful candidates receive a certificate showing the exam subject and level that they have been examined at. Successful ARSM candidates may add the letters of the qualification after their name.
- m Certificates do not certify that the holders are qualified to teach.
- n We can supply duplicate certificates on request. For details of the fee and to download a Certificate Replacement Form, visit www.abrsm.org

Entry to higher education

- o A Distinction result at Grade 8 or ARSM level does not necessarily suggest suitability for admission to any of the Royal Schools of Music or other higher education institution, or for a professional career in music. Candidates should contact individual institutions for details of the relevant entrance requirements.
- p The Universities and Colleges Admissions Service (UCAS) includes Grades 6–8 in the points tariff for UK university and college entrance. At the discretion of individual institutions, candidates may benefit from the allocation of UCAS points (www.ucas.com). Where the candidate's date of birth and gender have been given at the time of entry, results for candidates at these grades are passed on to UCAS to allow them to verify UCAS applications. For further details, see our Privacy Policy at www.abrsm.org/policies

National Pupil Database

- q The UK government requires ABRSM exam data for all candidates between the ages of 11 and 18. We therefore pass results for candidates between these ages, as well as their name, age and gender (if given), to the Department for Education (DfE) and to Llywodraeth Cymru (Welsh Government) in order to match details held on the National Pupil Database. For further details, see our Privacy Policy at www.abrsm.org/policies

17 Special consideration

- a Special consideration may be given by ABRSM to a candidate whose performance in an exam is felt to have been affected by, or who does not finish an exam because of, circumstances beyond their reasonable control.
- b Examiners are not allowed to decide whether special consideration should be given. This decision can only be made by ABRSM, and only if a valid application for special consideration is made. Further details, including the procedure for applying for special consideration, are given in our Special Consideration Policy, available at www.abrsm.org/policies

18 Appeals and feedback**Questions about results**

- b We welcome feedback about results and other matters. All feedback is logged and plays a valuable part in our quality assurance procedures. Specific guidance and a Feedback Form can be found at www.abrsm.org/examconcerns

19 Malpractice and maladministration

Many people also use them when applying to study at further and higher education institutions. It is therefore vital that our qualifications remain a valuable and reliable measure of a candidate's skills and knowledge. We therefore take any form of malpractice or maladministration very seriously.

 - **Maladministration** is defined as any act which breaches the regulations through a mismanagement of administrative processes, particularly where such a breach could compromise the integrity of a qualification or assessment.
- b Applicants and candidates must follow the requirements set out in these Exam Regulations and all other ABRSM policies about the delivery of our exams. In cases where applicants or candidates have committed malpractice, a sanction or penalty may be given. Further information about our Malpractice and Maladministration Policy can be found at www.abrsm.org/policies

The policy includes a Code of Practice for all who work on behalf of the organisation. 23 Other important information

The Law that applies to these Exam Regulations and where legal proceedings may be brought

- a The contract between the applicant and ABRSM is governed by English law and the applicant and ABRSM must bring legal proceedings in respect of this contract in the English courts.
