Exam help & guidance

UK 2019

This insert provides you with additional notes to help you complete the **Exam entry form**.

The numbered sections correspond to numbered sections on the form.

You can view our regulations online at www.abrsm.org.

Contact us if you need further help and guidance (see page 4 of this insert).

1 Applicant information all applicants

The applicant is the person who submits an exam entry (by completing the entry form and making payment). It is the applicant's responsibility to pass on relevant information to the candidate/parent/teacher. The applicant is the principal point of contact and must be aged 18 or over.

Applicant number

If this is your first entry with ABRSM, leave the applicant number blank. We will allocate you a number and confirm it when we send you the exam details.

If you have forgotten your applicant number, simply fill in your name and contact details.

Title, name, degrees/diplomas

These details will appear on the certificate exactly as you give them here to show who the candidate was 'presented by'. If you wish this information to appear differently on the certificate, complete section 1a Certificate information.

There is space in the 'presented by' section of the certificate for a maximum of 40 characters, including spaces.

2 Exam information all applicants

To complete this part of the form you need to choose when the exam will take place (see page 3).

Where

Entry options fall into two categories:

■ ABRSM centres

Exams are held at premises provided and overseen by ABRSM. See Regulation 12.

■ Visits

Exams are held at premises (a school, teaching studio, home, hired premises, etc.) provided by the applicant and visited by the examiner.

This option is designed for those entering a sufficiently large number of candidates or for cases where a subject cannot be taken at an ABRSM centre.

Applicants hosting a visit accept responsibility for providing facilities according to ABRSM's instructions and for the appropriate conduct of the exam (see Regulation 13b) and are able to rearrange their timetables following ABRSM parameters (see Regulation 13d). Please see Regulation 13 for more information about visits.

When

■ Practical exams

Your exam date depends on your entry option.

For further information expressing exam date preferences, please see section 2b and 2c.

Exam dates are given on page 3.

■ Theory exams

These are always held on specified dates/times, which are given on page 3.

2a Centre information all applicants

- **ABRSM Centre** Fill in the centre name and code.
- **Visits** Choose the centre nearest to the Visit venue.

A full list of centres and codes is given on pages 3 and 4 and online at www.abrsm.org.

2b Practical exam date preferences ABRSM centres and Visits

This section is optional. We will do all we can to take your preferences into account.

Scheduling exams at ABRSM centres and Visits also depends on:

- Making efficient use of each examiner's time.
- The dates when your chosen ABRSM centre is open.

We therefore ask you to ensure candidates are aware that their exam may be on any date during the exam period. See Regulation 10 for information about changes of appointment.

- Select your **preferred week** from the period dates and week numbers given on page 3.
- Include a **latest available date** if your candidates cannot sit an exam after a particular date.
- Tick the **Saturdays are inconvenient** box if you prefer weekday appointments.

2c Start date Visits only

As these entry options allow you to choose your exam dates, please let us know the date when you would like your exams to start.

2d Visit information all Visits

If you are applying for your candidates to be included as part of a Visit arranged by another teacher/school, please make sure the person hosting the Visit has given you permission.

3 Candidate information all applicants

Forename and surname

Give the candidate's name as they wish it to appear on the certificate. There is room for a maximum of 30 characters including spaces (we give 20 spaces each for Forename and Surname on the form to allow flexibility over how you use the 30 characters).

Grade

Enter the grade for each candidate, eg. 1, 2, 3 etc, in the Grade box. For Prep Test write PT, for Performance Assessment write PA and for ARSM write AR.

Candidates for Practical Grades 6, 7 and 8 must already have passed one of the following before the closing date for the practical exam:

- ABRSM: Grade 5 (or above) in Music Theory, Practical Musicianship or a solo Jazz subject. ABRSM qualifications taken in the UK can usually be verified from our records.
- Trinity College London, LCM, AMEB, UNISA: Grade 5 (or above) in Theory of Music. Please send a photocopy of the mark form or certificate.

Specific needs code

If a candidate has access needs, it is important you notify us when you submit your entry by recording the relevant code on your form. Visit www.abrsm.org for further information and requirements and to download detailed guidelines.

ARSM prerequisite

ARSM candidates must have already passed ABRSM Grade 8 or a listed alternative before making the entry. See

www.abrsm.org/prerequisite-arsm. Supporting documentation is not required at the time of entry, but must be submitted if later requested by ABRSM. Failure to do so will result in the ARSM entry being cancelled, without refund.

Date of birth (compulsory for ARSM)

We ask for your candidate's date of birth so that we can pass on exam information in confidence to UCAS and the DfE. This allows candidates to benefit from points recommendations for UK university and college entrance (Grades 6–8) and the DfE to include all graded exams in the School and College Performance Tables. If you wish, record **A** for adult candidates.

M/F (male/female)

This information is recorded for statistical purposes and is also required for UCAS points recommendations (Grades 6–8).

NCN - National Centre Number

If you teach your candidates for a school or college please add the NCN so that we can pass on information to the DfE for inclusion in the School and College Performance Tables. This data is passed to the DfE in confidence.

ULN - Unique Learner Number

If a candidate wishes their ABRSM exam result to be added to their Personal Learner Record (PLR), please give the ULN (available from the candidate's school/college).

Quoting the date of birth, gender, NCN and ULN will aid the matching process for UCAS, DfE's School and College Performance Tables and a school's RAISE report.

4 Declaration all applicants
