

BRASS GRADES: requirements and information

This section provides a summary of the most important points that teachers and candidates need to know when taking ABRSM graded brass exams. Further details, as well as administrative information relating to the exams, are given in ABRSM's Information & Regulations (available at www.abrsm.org/regulations) which should be read before an exam booking is made.

Entering for an exam

Eligibility: There are eight grades of exam for each instrument (Bass Trombone, Grades 6–8 only) and candidates may be entered for any grade irrespective of age and without previously having taken any other grade on the same instrument. Candidates for a Grade 6, 7 or 8 exam must already have passed ABRSM Grade 5 (or above) in Music Theory, Practical Musicianship or a solo Jazz instrument; for full details, including a list of accepted alternatives, see Regulation 1d at www.abrsm.org/regulations.

Access: ABRSM endeavours to make its exams as accessible as possible to all candidates, regardless of sensory impairments, learning difficulties or particular physical needs. There is a range of alternative tests and formats as well as sets of guidelines for candidates with particular access needs (see www.abrsm.org/specificneeds). Where a candidate's needs are not covered by the guidelines, each case is considered on an individual basis. Further information is available from the Access Co-ordinator (accesscoordinator@abrsm.ac.uk).

Exam booking: Details of exam dates, locations, fees and how to book an exam are available online at www.abrsm.org/exambooking.

Elements of the exam

All ABRSM graded brass exams comprise the following elements: three Pieces; Scales and arpeggios; Sight-reading; and Aural tests. In all grades, marks are allocated as follows:

Pieces: 1	30
2	30
3	30
Scales and arpeggios	21
Sight-reading (& Transposition*)	21
Aural tests	18
Total	<u>150</u>

Marking scheme: 100 marks are required for a Pass, 120 for a Merit and 130 for a Distinction. A Pass in each individual section is not required to pass overall. See pp. 102–103 for the marking criteria used by examiners.

* Horn & Trumpet Grades 6–8. Maximum marks: 12 for sight-reading, 9 for transposition (one combined mark will be recorded)

Pieces

Programme planning: Candidates must choose one piece from each of the three lists (A, B and C) in each grade. In the exam, they should inform the examiner which pieces they are performing, and they are welcome to use the form on p. 105 for this purpose.

Accompaniment: All pieces in Lists A and B must be performed with a live piano accompaniment, whereas all pieces in List C must be performed solo. Candidates must provide their own accompanist, who may remain in the exam room only while accompanying. The candidate's teacher may act as accompanist (examiners will not). If necessary, the accompanist may simplify any part of the piano accompaniment, provided the result is musically satisfactory.

Exam music & editions: Wherever the syllabus includes an arrangement or transcription, the edition listed in the syllabus must be used in the exam; in all such cases the abbreviation 'arr.' or 'trans.' appears in the syllabus entry. For all other pieces, the editions quoted in the syllabus are given for guidance only and candidates may use any edition of their choice (in- or out-of-print or downloadable). Information on obtaining exam music is given on p. 12.

Interpreting the score: Printed editorial suggestions such as fingering, phrasing, metronome marks, realization of ornaments etc. need not be strictly observed. Whether the piece contains musical indications or not, candidates are always encouraged to interpret the score in a stylistically appropriate manner. Ultimately, examiners' marking will be determined by consideration of pitch, time, tone, shape and performance, and how control of these contributes to the overall musical outcome.

Repeats: All da capo and dal segno indications should be observed but all other repeats (including first-time bars) should be omitted unless they are very brief (i.e. of a few bars) or unless the syllabus specifies otherwise.

Cadenzas & tuttis: Cadenzas should not be played unless the syllabus specifies otherwise. Lengthy orchestral tutti sections should be cut.

Performing from memory: Candidates are free to perform any of their pieces from memory; in such cases they must ensure that a copy of the music is available for the examiner to refer to if necessary. No additional marks are awarded for playing from memory.

Page-turns: Examiners will be understanding if a page-turn causes a lack of continuity during a piece, and this will not affect the marking. A variety of solutions for awkward page-turns exists, including the use of an additional copy of the music or a photocopy of a section of the piece (but see 'Photocopies' on p. 10). In cases where candidates believe there is no solution to a particularly awkward page-turn, they may apply to bring a page-turner to the exam. The request must be made to syllabus@abrsm.ac.uk no later than the closing date for entry, and details of the piece, edition and nature of the difficulty should be given. If permission is granted, a confirmation letter will be issued which must be taken to the exam as verification. Examiners are

unable to help with page-turning. In a Grade 8 exam, a candidate's accompanist is permitted to bring a page-turner to assist with page-turns in the piano part (prior permission is not required).

Photocopies: Performing from unauthorized photocopies (or other kinds of copies) of copyright editions is not allowed. ABRSM may withhold the exam result where it has evidence of an illegal copy (or copies) being used. In the UK, copies may be used in certain limited circumstances – for full details, see the MPA's *Code of Fair Practice* at www.mpaonline.org.uk. In all other cases, application should be made to the copyright holder before any copy is made, and evidence of permission received should be brought to the exam.

Scales and arpeggios

Examiners will usually ask for at least one of each type of scale/arpeggio etc. required at each grade, as well as aiming to hear a balance of the specified articulations. They will also ask trombone, baritone, euphonium and tuba candidates if they are bass- or treble-clef readers.

When asking for requirements, examiners will specify only:

- the key (including minor form – harmonic *or* melodic – in the Grade 6–8 scales) or the starting note
- the articulation

All scales and arpeggios should:

- be played from memory
- be played from the lowest possible tonic/starting note, unless the syllabus indicates otherwise*
- ascend and descend according to the specified range
- be played without undue accentuation and at a pace that is consistent with accuracy and distinctness

The choice of breathing place is left to the candidate's discretion, but taking a breath should not disturb the flow of the scale or arpeggio.

Arpeggios and dominant sevenths are required in root position only.

For transposing instruments, the naming of scales applies to the notation, not the concert pitch; for example, D major for trumpet in B \flat will sound in C, not D.

Books of the scale requirements are published for all brass instruments by ABRSM.

Below is the pattern for the whole-tone scale, set for all instruments at Grade 8:

* Disregarding additional lower notes available to trombones with a trigger or to baritones, euphoniums and tubas with a 4th valve

The following scale and arpeggio speeds are given as a general guide:

Scales†, Dominant & Diminished 7ths (pattern = )

<i>Grade / Speed</i>	1	2	3	4	5	6	7	8
Horn	♩ = 50	♩ = 56	♩ = 66	♩ = 72	♩ = 80	♩ = 96	♩ = 108	♩ = 120
Trombone	♩ = 44	♩ = 48	♩ = 56	♩ = 63	♩ = 72	♩ = 96	♩ = 108	♩ = 120
All other brass	♩ = 50	♩ = 56	♩ = 66	♩ = 72	♩ = 80	♩ = 104	♩ = 116	♩ = 132

Arpeggios (pattern = )

<i>Grade / Speed</i>	1	2	3	4	5	6	7	8
Horn	♩ = 72	♩ = 80	♩ = 92	♩ = 100	♩ = 112	♩ = 56	♩ = 66	♩ = 76
Trombone	♩ = 66	♩ = 72	♩ = 84	♩ = 92	♩ = 104	♩ = 46	♩ = 56	♩ = 60
All other brass	♩ = 72	♩ = 80	♩ = 92	♩ = 100	♩ = 112	♩ = 56	♩ = 66	♩ = 76

† including chromatic & whole-tone

Sight-reading (and transposition)

Sight-reading: At all grades, candidates will be asked to play a short unaccompanied piece of music which they have not previously seen. They will be given up to half a minute in which to look through and, if they wish, try out all or any part of the test before they are required to play it for assessment. Examiners will ask trombone, baritone, euphonium and tuba candidates if they are bass- or treble-clef readers. For practice purposes, books of specimen sight-reading tests are published for all brass instruments by ABRSM.

Transposition (*Horn and Trumpet only*): At Grades 6–8, Horn and Trumpet candidates will be asked to transpose a short unaccompanied piece of music which they have not previously seen. They will be given up to half a minute in which to look through and, if they wish, try out all or any part of the test before they are required to play it for assessment.

Aural tests

The requirements are the same for all instruments. Full details of the Aural tests are given on pp. 90–95.

(continued overleaf)

In the exam

Examiners: Generally, there will be one examiner in the exam room; however, for training and quality assurance purposes, a second examiner may sometimes be present. Examiners may ask to look at the music before or after the performance of a piece (a separate copy is not required: the candidate's or accompanist's copy will suffice). Examiners may also decide to stop the performance of a piece when they have heard enough to form a judgment. They will not issue, or comment on, a candidate's result; instead, the mark form (and certificate for successful candidates) will be issued by ABRSM after the exam.

Tuning: In Grades 1–5, the teacher or accompanist may help tune the candidate's instrument before the exam begins. In Grades 6–8, candidates must tune their instruments themselves. Examiners are unable to help with tuning.

Music stands: All ABRSM Centres provide a music stand, but candidates are welcome to bring their own if they prefer. The examiner will be happy to help adjust the height or position of the stand.

Order of the exam: The individual sections of the exam may be undertaken in any order, at the candidate's choice, although it is always preferable for accompanied pieces to be performed consecutively.

Assessment

The tables on pp. 102–103 show the marking criteria used by examiners. These criteria (newly revised and amended) have been in use in exams from January 2014. In each element of the exam, ABRSM operates the principle of marking from the required pass mark positively or negatively, rather than awarding marks by deduction from the maximum or addition from zero. In awarding marks, examiners balance the extent to which the qualities and skills listed on pp. 102–103 (broadly categorized by pitch, time, tone, shape and performance) are demonstrated and contribute towards the overall musical outcome.

Obtaining exam music

Exam music is available from music retailers as well as online, including at the ABRSM music shop: www.abrsm.org/shop. Every effort has been made to ensure that all the publications listed will remain available for the duration of the syllabus. Candidates are advised to obtain their music well in advance of the exam in case of any delays with items not kept in stock by retailers. Apart from queries relating to exams, all enquiries about the music (e.g. editorial, availability) should be addressed to the relevant publisher: contact details are listed at www.abrsm.org/publishers.
